Re. *Congregation Rabbinical College of Tartikov et al. v. Village of Pomona, et al.*, Case No. 07 CV 6304 (KMK)

Your Honor:

We write regarding Plaintiffs' Memorandum of Law in support of their Motion for Attorneys' Fees to be filed on May 14, 2020. We are seeking the Court's permission to expand the limit of 25 pages to a limit of 30 pages. This request is due to the volume of issues and records addressed in the motion. Defendants' counsel consents to this request and requests that their opposition brief also be expanded to a limit of 30 pages.

Thank you for your consideration.

Respectfully submitted,

DONNA C. SOBEL
